Mr. Hugo Eckermann,
Eldridge, Iowa

Dear Mr. Eckermann:

Earlier this month, I wrote you saying Mr. Roy Curtis would be in to talk to you and to bring you your rent checks for September and October. He stopped in one day last week, but didn't see you, so he asked me to write to you and send you the checks.

You never did complete the job in the driveway, you know. You moved the house and filled up the hole; but you did not complete the rocking job, nore move your tanks and junk, and you continued to burn and pile up junk in our driveway. Undoubtedly you have noticed that we finished the job ourselves. We hope that our drive will remain unencumbered.

Your checks are enclosed.

Yours very truly,

Elizabeth B. Hage
